From The Head Teacher's Desk

Our Virtue/ Value/ FOCUS for this week is:
The Transforming Power Of The Holy Spirit

Thought for the week:

"We cannot say that we love God but hate our neighbour as the two are not mutually exclusive. God (however we conceive him to be), is manifested in each person that we encounter, so we must all acknowledge the Spirit and Presence of God in each human being and treat every soul with the utmost respect". Serenity

**WE CELEBRATED THE FEAST OF PENTECOST ON
SUNDAY MAY 28TH 2023**

THIS DAY CELEBRATES THE POWER OF THE HOLY SPIRIT
In our increasingly secular world, let us endeavour to keep our faith alive and persists with showing true compassion and love for others, because that is how we will ultimately change the world. It is very easy for us to be indifferent to the plight of humanity and ignore those in need all around us. Our greatest challenge today is to live our faith. Let's ask The Holy Spirit to help us to make fundamental changes in our own daily thoughts, words and actions - becoming more cognisant of the impact that our words and deeds have on our own children, family, community and friends.

Let us rely on the Holy Spirit to give us the courage to make lasting changes in ourselves, personally and collectively for the future. Our children "LEARN WHAT THEY LIVE" so, let us ensure that what they learn and experience at home and school is the love of Christ through our every touch, word and action as we all endeavour to live the core principles and teachings of Christ that will leave indelible marks on our children's and our hearts. Let us all be better examples of Christ in our world today, as this is the greatest way to create a positive future for all. Let us live our Catholic Social Teaching and be committed to our Christian Values and Morals-loving God, our neighbour and ourselves.
We are the pebbles which need to be flung headlong into the Lake of Change from Within -to begin the ripple effect of love and kindness that is needed in our world today. A M Moore

They selflessly helped to rebuild Britain after the devastation of World War 2. This was a true act of patriotism. Let us honour them" Our School is featured in the June edition of THE VOICE honouring the Windrush Generation- check it out! Isabella Corriette -Head Girl
